

Dorset Early Help/POPP Vision and Desired Outcomes

The Vision

Desired Outcomes of Dorset Early Help/POPP:

People in Communities...

- ...have housing suitable for individual needs
- ...are socially integrated and not isolated
- ...are making a positive contribution and experiencing fulfilment as a result
- ...feel secure and safe
- ...feel free from discrimination
- ...feel financially secure
- ...are in good health in mind and body (can breathe, eat, walk, sleep etc)
- ...have dignity, choice and control throughout their life, especially towards the end (ranging from e.g. choosing whether or not to get the bus to choosing where to die)
