

## Pre 0930 weekday exceptions for Dorset residents from the Dorset County Council Concessionary Fares Scheme from 19/07/2016

Exceptions are considered on a route by route basis taking into consideration, amongst other things, where passengers are boarding the bus and whether any other alternative services run along the corridor before 1030.

**Please note:** In addition to the national scheme, residents of East Dorset who are entitled to a free bus pass are also entitled to all day travel, not limited to off-peak hours. This means that residents are able to use their free bus passes at any time of the day and on any day of the week where they board a bus using a bus stop within the East Dorset area.
